THE MINISTER OF STATE IN THE MINISTRY OF COAL (SHRI SANTOSH BAGRODIA): (a) Mahanadi Coalfields Limited (MCL) was offering coal under e-auction and coal was being booked from Chhendipada Open Cast Project. It has been reported that Coal Consumers' Association, Chhendipada who are basically traders and are therefore participating in e-auction and Truck Owners Association of Chhendipada, were allowing only their members and not others to lift the auctioned coal.

(b) In view of agitation by some buyers as mentioned above, the dispatch was stopped from 20.01.2008 to 28.02.08 though production continued and as the coal stock accumulated and went up to nearly 49,000 tonnes at the pithead site and there was no place to stack more coal, production from that mine was stopped from 23.02.08 to 22.03.2008.

(c) Mahanadi Coalfields Limited/Coal India Limited has reported that only a group of people who were trying to monopolize the lifting, have resorted to agitation.

(d) At the District level and at Revenue Divisional Commissioner level, meetings were conducted involving the concerned people. In the meeting with Revenue Divisional Comissioner, it was decided to offer/dispatch 10% production through e-auction and rest 90% to the linked consumers from this colliery. Coal dispatches have resumed from 23.3.2008.
